Mother's Day Celebrations

I hope that all mums and grandmothers had a wonderful Mothers' Day yesterday. I know the kids had some fun cooking biscuits in the kitchen and making Mother's Day cards for their families. Not to mention the terrariums the senior students made during garden. Thank you 5/6M for mine which takes pride of place in my office.

NAPLAN

NAPLAN will commence this week for Years 3 and 5. We will be doing the majority of the testing on the computers and in the computer lab. Please make sure the students have a good breakfast and pack break treats or brain food as we call it to get them through the assessments. Talk to the students to ease any anxiety as it is just a point in time assessment to see if they are on track with their learning.

Good luck to all students.

Results will be available to parents in Term 3

Alma Cross Country Carnival

The Alma Cross Country Carnival was held last Friday. Team spirit was rife with loud cheers of encouragement and a sensational effort from all students participating. The course was different this year extending around the block and the kids loved it! It was a great atmosphere and wonderful to see so many families there.

Congratulations to all students who received a place! The winning house on the day was Cuthbert.

Broken Hill Cross Country Carnival

Students who received a place and are eligible to participate in the Broken Hill Cross Country Carnival on Monday 17th May are listed on the next page. Notes will be sent home to these students this week. The carnival will be held at the Memorial Oval starting at 9.30am. Students will be travelling to and from the carnival by bus.

Assembly this Week

An assembly will be held this Friday at 11.45am in Kester Hall. 3-4N will be entertaining us at this assembly.

Have Your Say on Before and After School Care

Does your child need before and after school care? We want to hear from you – please complete a short survey to help us understand your family's needs for out of school hours care. Your responses will shape what we do to expand before and after School Care across NSW.

Please complete the survey via the following website link:

<https://surveys.education.nsw.gov.au/s3/OSHCParentsSurvey>. The survey will be open until 24 May 2021.

The survey has been designed to be easy to use and should take no more than two minutes to complete, with a few extra minutes for those who would like to supply additional information.

If you need a paper or over-the-phone version of the survey, or require survey translation, please contact the Department of Education Before and After School Care Program team by phone on 1300 244 145 or email at:

BASCReform@det.nsw.edu.au.
